Dear Holland and Barrett worker

There is about to be a picket outside this store as part of a boycott of Holland and Barrett due to their involvement in the government's 'workfare' programme. The company is continuing to take on unemployed workers as free labour and the boycott will be in effect until they withdraw.

This letter is to let you know that this action by the Solidarity Federation and other groups and individuals is not aimed at you, whether you are an employee or on a 'workfare' scheme. Our aim is to defend a living wage for all workers and to protect the unemployed from being exploited to increase company profits.

For further details of the Solidarity Federation's anti-workfare campaign see www.solfed.org.uk. In addition, if you are experiencing any other issues at work or with a landlord, then you can email us for support and advice at brighton@solfed.org.uk.

Regards,
Solidarity Federation - Brighton Local
